## **A Discussion on The Protect Illinois Communities Act with State Representative Bob Morgan, 58th District**

This presentation will explore the **Protect Illinois Communities Act**. Thanks to lawmakers like **State Representative Bob Morgan** who prioritize public safety, Illinois now has the Protect Illinois Communities Act. In addition to providing a statewide ban on weapons of war, this **legislation** creates a tracking system for existing assault weapons, prevents the sales of dangerous firearms through universal background checks, creates a taskforce to oversee and make recommendations for preventing illegal interstate gun

trafficking, and extends the firearm restraining order from six-months to one-year.

We are grateful for the leadership of Governor JB Pritzker, Senate President Don Harmon, Speaker Emanuel Chris Welch, State Senator Ram Villivalam, Representative Bob Morgan, and the numerous **advocates, activists and survivors** on this historic measure. This victory proves that, together, we can work to end gun violence.

So please [join](#) our statewide **GVP Coalition call on Monday, Feb 6th at Noon on Zoom with State Representative Bob Morgan** to discuss and celebrate the [Protect Illinois Communities](#) Act!

Feel free to contact me with any questions.

Yo
